University of Pittsburgh School of Pharmacy
presents the
Spring Continuing Education Seminar

Topics in Infectious Disease Management

Sunday, May 17, 2015

Room BST S100A, Biomedical Science Tower

University of Pittsburgh • Pittsburgh, Pennsylvania

Intent

The goal of this continuing education program is to educate attendees about the management of disease outbreaks caused by emerging infectious pathogens, and advances in the management of infectious diseases caused by gram negative antibiotic-resistant bacteria.

Who Should Attend

This continuing education program is intended for pharmacists, pharmacy technicians and other health care professionals interested in learning about strategies related to the management of infectious diseases.

Continuing Education Credit

The UPMC Center for Continuing Education in the Health Sciences is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a Provider of continuing pharmacy education. The assigned Universal Program Numbers are: **0481-0000-15-055-L04-P, 0481-0000-15-056-L04-P.**

This program provides **3.0** contact hours (0.30 CEU) of continuing education credit. Upon successful completion of the program (attending the full session and completing and submitting a program evaluation and form, participants wishing to receive Continuing Pharmacy Education (NABP) Credit are required to have a National Association of Boards of Pharmacy (NABP) eMonitor number. Credits will be uploaded using your eMonitor number at the end of each calendar month.

Meeting Location and Parking

Please note that this program is being held in the **Biomedical Science Tower (BST)** which is immediately behind and connects to the UPMC Presbyterian Parking Garage. **Free parking** in UPMC Presbyterian Garage on Terrace Street. Take the garage elevator to the Yellow (D) Level and go through the doors into the BST lobby. The room for the program can be accessed from the lobby. **Seminar attendees will have access to the parking garage even if there is signage indicating that the garage is not available to special event attendees.**

Objectives

After attending this seminar, the participants should be able to meet the following objectives:

Management of Outbreaks Due to Emerging Infectious Pathogens – 0481-0000-15-055-L04-P

Speaker: Alison L. Galdys, MD

- Appreciate the importance of vaccine coverage as a counter-measure for outbreaks due to vaccine-preventable diseases
- Understand the rationale behind isolation precautions for emerging infectious pathogens
- Appreciate the nuances of experimental therapies for emerging infectious pathogens

New and Highly Anticipated Antibiotic Therapies for the Treatment of Infections Caused by Antibiotic-resistant Gram Negative Bacteria – 0481-0000-15-056-L04-P

Speaker: Brian A. Potoski, PharmD, BCPS (AQ-ID)

- Identify recent trends in problematic antibiotic-resistant Gram-negative pathogens
- Discuss the spectrum of activity and perceived place in therapy of these newer agents
- Explore opportunities to ensure good antibiotic stewardship of these new antibiotics
